OUR MISSION  
IS TO BUILD  
A VIBRANT  
COMMUNITY  
FUELED BY  
THE ARTS.

Red Wing Arts is a  
501(c)3 nonprofit  
organization serving  
Red Wing and  
Southeast Minnesota.

Red Wing Arts enriches lives by connecting, celebrating, inspiring and leading through shared art experiences.

**We support, promote and advance the work of artists in our region.**

We're building a community that recognizes, appreciates, values and celebrates the importance of artists and the power of art in our lives.

**We strive to support, inform and celebrate the arts and creative communities.**

We do this by investing time, funds, and resources into advancing accessibility and providing meaningful experiences.

**We are recognized as the hub of SE Minnesota arts and culture.**

Red Wing Arts is recognized as a major cultural and economic catalyst where our lives, jobs and families are improved through art.

We work in partnership with local agencies, private funders, and many others to strengthen local arts and culture efforts.

We commit to expanding our awareness about, and representation in, the greater diverse arts experience and strive to make art an intrinsic part of everyday life.

Through our work we aim to build unprecedented opportunity in the region by advancing creativity, supporting artists and organizations, sharing ideas, and building flourishing communities powered by opportunity, authenticity, and a deep sense of belonging.

**We honor the people, places, and creative organizations in our region and beyond.**

We serve as an amplifier for the power and importance of local and regional creativity through storytelling initiatives, special events, and gallery opportunities.

At Red Wing Arts, we believe that creativity is both a product and a process that can be used to build community, learn and grow, and connect to one another. We are committed to creating inclusive spaces and equitable access to creative outlets and information for residents of all ages to become more creative, compassionate, and culturally competent members of the community.

## Connecting Through Shared Art Experiences

Our commitment to connecting extends beyond physical spaces. Through our diverse programming and events, we create opportunities for people of all backgrounds and ages to come together, share their stories, and find common ground. Whether it's strolling through art exhibits, attending concerts, or participating in workshops, we aim to foster meaningful connections and build a sense of belonging within our community.

## Celebrating Artists and Community

Beginning as an interactive arts education program, we have grown into an anchor of an arts ecosystem. It's our goal to incorporate art into the dialogues, influences and economic impacts of the Red Wing community. Each year Red Wing Arts supports over 450 artists in our gallery and festivals and over 45,000 visitors to our free events and exhibits.

At Red Wing Arts, we believe in the power of celebration. We take pride in showcasing the talent and creativity of local, regional, and national artists, providing them with a platform to share their work and engage with audiences. We celebrate the vibrant arts community of Red Wing and the unique perspectives that artists bring to our lives.

Red Wing Arts took every opportunity to learn and grow in 2022. As we looked to invest in our future, we strategically experimented with new ways of doing things, and continue building upon those learnings as we navigate 2023 and beyond.

We opened our doors for the Clay and Creative Center, which allowed us to try new programming, workshops, and retail, and expand our reach in a variety of ways. We found new ways for the Red Wing community to engage with art, which was incredibly exciting! All the while, Emily, our staff, and our volunteers hosted the high caliber events, exhibits, and gift shop experiences that you all know and love.

Our board remains actively engaged by meeting monthly to monitor progress, with a keen eye on how our financials marry with our strategy.

Thank you for joining us in building a vibrant community fueled by the arts, Alive with Creativity! We couldn't do this without you.

**RACHEL MCWITHEY**  
2023 Board Chair

## **Our Programs Have Impact**

## 56th Annual Red Wing Arts Fall Festival

We are proud to bring over 120 artists to our city each year. Our juried two-day fine arts festival is one of Red Wing Arts' core programming events, designed to feature and celebrate artists in the heart of Red Wing.

Visitors can expect a variety of high-caliber original works of art for purchase as well as other opportunities to be inspired whether it's listening to concerts in the bandshell, watching live painting, creating something beautiful, or selecting delicious food from area food trucks.

## Concerts in the Park

**Impact:  
7,500**

We took pride in curating a diverse selection of regional artists, offering a wide range of musical genres to cater to varied tastes. These vibrant and energetic performances were held every Wednesday night June through August at the heart of our historic downtown in Central Park, where the "city's living room" comes alive.

Families and friends were encouraged to bring their lawn chairs and coolers to enjoy these free live music events suitable for all ages.

**Impact:  
120,000**

Bringing the 2022 Sculptures to Red Wing was a partnership between Downtown Main Street, Red Wing Arts, The City of Red Wing, the Public Art Liaisons (the PALS) Committee of Curt Gruhl, Art Kenyon, and Becky Poss; and Sculpture Tour Eau Claire.

## Nine sculptures were on loan for 2022, the 2nd Annual Sculpture Tour

The Art Walk was fully and enthusiastically funded through the generosity of local philanthropic groups with a shared vision to enrich our downtown, entice new commerce, and encourage newcomers to return.

**Impact:  
5,500**

## 16th Annual Plein Air

Red Wing Arts Plein Air brings nationally acclaimed artists to our community from around the region to paint "recognizable" Red Wing en Plein Air, which is French for "in open air." Plein Air is a study of how light and shadow interact with things, creating a snapshot of one moment in time that can never be repeated. The culminating exhibit includes over 100 works that are judged and hung on the walls of our Depot Gallery.

**"THE RED WING PLEIN AIR EVENT IS ABOUT THIS PLACE. SINCE THIS EVENT STARTED, OVER A THOUSAND PAINTINGS HAVE BEEN CREATED OF RED WING AND THE SURROUNDING AREA. THAT'S NOT COMMON, BUT NEITHER IS RED WING."**

— Joshua Cunningham, Nationally Awarded Plein Air Artist

## Alive with Creativity DOWNTOWN

Alive with Creativity Downtown was presented by Red Wing Arts and Downtown Main Street Red Wing as a creative way to activate downtown spaces with artists this summer. With the vision of realizing a vibrant downtown and being inviting to all in our diverse community, Alive with Creativity Downtown brought a variety of artists and creatives to downtown businesses each weekend throughout the summer.

**Impact:  
16,500**

**A rare opportunity to explore the studios of artists living and working in the gateway to the Driftless Region.**

**Impact:  
2,500**

## Red Wing Area Studio Tour

Red Wing Arts and the Anderson Center were proud to partner together and with area artists to present the 1st Annual Red Wing Area Studio Tour. This event aligned with both organizations' vision of fostering connections and engaging with many of the incredibly talented creatives that help define the culture of our community.

# Honoring Dakota Project

**Impact:  
750**

**"MEH-TU-COO-YAH  
OH-WAH-SIN"  
WE ARE ALL  
RELATED**

The Honoring Dakota Project is a process of community conversations and events that provide education to discover our shared stories, bridge our communities, and create a space for healing.

Leaders of the Prairie Island Indian Community, together with the City of Red Wing, Goodhue County Health and Human Services and Red Wing Arts hosted engagement and cultural education arts experiences that provided space for healing, improved mental health and connection through the power of the arts. The Project is a collaboration to facilitate deep healing through art-making, storytelling, cultural sharing, and relationship building.

**There is an ongoing need to recognize the Dakota people as vital members of the Red Wing community.**

**Through art, shared experiences, and conversations we will uplift, honor, and celebrate our rich cultures.**

The 21st Annual Poet Artist Collaboration featured over 70 juried artists and poets who participated in the annual event which included an art exhibit, poetry readings, and the creation of a chapbook. Thirty-six poems were chosen and artists were selected to create new works inspired by one of the poems.

**Impact:  
2,500**

# Poet Artist Collaboration

With over 200+ potential participating poets and artists, jurors Gwen Westerman (Minnesota Poet Laureate), Michael Kleber-Diggs (poet, essayist, literary critic, and arts educator), Cole Redhorse Jacobson (a multidisciplinary artist who works mostly in the traditional arts of his Mdewakanton Dakota people), and Matt Quinn (an artist and educator) were faced with the difficult task when considering this year's record numbers of submissions in both poetry and artists.

**The joy and challenge of this event is the translation of the emotion and story of the written words of a poet by an artist into a representational piece of art.**

# River Town Throw Down

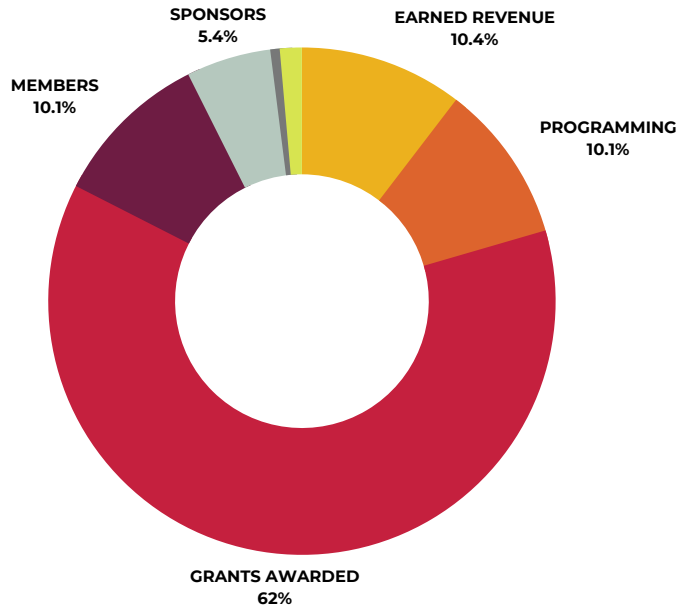

**Impact:  
3,500**

Red Wing Arts and Big Turn Music Festival announced the 1st River Town Throw Down where art and music meet at Central Park. The free all day event included acclaimed musicians, an art battle featuring artists painting to music, and food trucks. Singer, rapper and writer, Dessa, headlined the Festival.
